

The Hardware Conference

"Where Relationships are Formed"

Become a Sponsor of the Largest Conference for Independent Hardware Dealers

August 16-18, 2019 • Marco Island, Florida

The Largest Gathering of Independent Hardware Retailers from Multiple Wholesalers

The Hardware Conference began in 1988 with a small group of hardware retailers who wanted to get together once a year with key manufacturers. This small group continued to expand and is now the nation's largest independent hardware dealer conference and is held annually at the JW Marriott in Marco Island, Florida.

Join colleagues and new friends for this three-day learning and networking event. Share ideas with top retailers on how to grow business together and show them why your company is the right fit for their stores. You can't spend this kind of quality time with customers anywhere but The Hardware Conference.

Three Sponsorship Levels to Fit Any Budget

Vendor

Here's what you get:

- Standard booth – Table top
- Vendor listing and logo in printed program supplied to all Conference attendees
- Listing on The Hardware Conference website with link to website
